

ADVANTAGES OF THE FOUNDERS FROM IKI-GAIA

It is a status acquired by all types of members who sign the contracts and make the total income before we sign the contract with the owner (last days!! we are closing last contracts).

1. Preferential option in relation to their group mates who do not have this status, during the term of the contract, when applying : scholarship places for the educational project; a space to install a caravan or a non-permanent structure approved by the competent body of the association in phase I, if accepted as a pioneer; plots of land, tourist housing of the future campsite or equivalent project; a place to work in the projects of the Healing Biotope; starting a venture, etc.

Within each group, in addition to founder status, the following variables will be taken into account to establish preferences, in order of priority: Pioneer status: actual residence in the project and seniority; the date of signing of the contract, the full payment of dues, as well as the payment of tragozo contributions and compliance with other requirements; participation in the project as social lenders or donors; the number of dependents.

2. Right to co-create and apply to be part of the board of trustees of the future foundation or entity that replaces the association.

3. To enjoy a 20% discount on the established fees.

4. 1 year delay : In case that the founding pioneer cannot make use of his right to settle in, spend seasons or exercise the other rights recognized in the first initial phase of the project, he will have the option that the computation of the period of 7 years of rights will begin to be counted, after a maximum of 1 year from the acquisition of the property.

5. Right for their children to receive a 20% discount on the fees in force at the time, in case they want to spend seasons, be CO or AME or AMEP members and settle in the project by requesting to have their own plot or lodging.

6. Have extra discounts on the different products and services that are offered in the project: educational project, permaculture academy, music academy, yoga classes, healing therapies, events, etc...
